Dear Parents and Carers,

We are delighted to share the news that our recent Ofsted inspection went incredibly well. The inspectors were deeply impressed by every aspect of East Lane Primary School, and their report reflects the exceptional standards, dedication, and ambition that define our school community. As we are sure you are aware, our last inspection in November 2019 received Outstanding and I am pleased that standards have been maintained.

Securing a place at East Lane Primary School is a privilege, and we are immensely proud to offer an education that ranks among the very best in the country. Your children are fortunate to be part of a school that consistently delivers excellence, ensuring that they receive the highest quality education in an environment that nurtures both academic success and personal development.

The Ofsted report is filled with glowing comments about our school. Some of our most favourite quotes include:

*"Leaders set high standards for themselves, teachers and pupils and everyone enjoys the challenge of meeting these expectations."*

*"Pupils' behaviour is exemplary. This is because they enjoy their learning and understand how to behave well."*

*"Pupils with special educational needs and/or disabilities (SEND) benefit from the same rich experience as their peers. Leaders make certain that they identify the additional needs of pupils with SEND as early as possible. Staff provide tailored support. Consequently, pupils with SEND achieve highly."*

*"The school places a strong focus on personal development. Pupil leadership opportunities are a real strength of the school."*

At the heart of our success is the exceptional teaching and learning that takes place in every classroom. Our dedicated staff members go above and beyond to inspire, challenge, and support each child, ensuring they reach their full potential. The inspectors recognised the high expectations, subject expertise, and unwavering commitment of our teachers, which directly impact the outstanding outcomes our pupils achieve.

Strong and strategic leadership has been instrumental in driving East Lane Primary School to the pinnacle of educational excellence. The report highlights the clear vision, ambition, and meticulous planning that underpin every decision, ensuring that our school continues to set the highest standards in all areas. Leadership at every level is focused on continuous improvement, making sure our children receive nothing but the best.

We are also incredibly fortunate to have such a supportive parent community. Your commitment to your children's education—through engagement with school life, encouragement at home, and trust

in our vision—plays a significant role in their academic performance and overall success. We are grateful for this partnership and the positive impact it has on the whole school.

Thank you for your continued support and for being part of this remarkable journey. We look forward to building on this success and continuing to provide the very best education for your children.

Kind regards,

S. Siddiqui and S. Miller
